

Curriculum Vitae - Dragomir Štrbac, Dipl. Ing.

#### PERSONAL DATA

- Phone: +387 65 694 280,
- email: strbacd@yahoo.com,
- <http://ba.linkedin.com/in/dragomirstrbac>.

#### EDUCATION:

- University – Faculty of Technical Sciences, Department of Electronics and Telecommunications, Novi Sad, Serbia (1998 - 2002)
- VETS Belgrade, Belgrade, Serbia (1994-1997)

#### EMPLOYMENT HISTORY:

- 2016 - present

Application Engineer, NXP Semiconductors Austria, Gratkorn, AT

- 2011 - 2016

Head Engineer for B2B integrations and e-payment, Mtel, Banja Luka, BH

- 2006 - 2011

Software Engineer, ComTrade group/Hermes Softlab, Austria, Slovenia, BH

- 2002 - 2005

Software Developer, Tax Administration , Banja Luka, BH.

- 1997 - 1999

Higher Assistant at Accelerator Installation 'Tesla', Vinca Institute of Nuclear Sciences, Serbia

#### LANGUAGES:

- Serbian (native), Slovenian, English, German

#### PAPERS

- Z. Trpovski, D. Strbac and V. Crnojevic, The Robot Vision System, DOGS2002 IV Conference on Digital Signal Processing, Becej 16-17 May 2002, FRY
- T. Stalevski, I. Vuleta, A. Dobrosavljevic, I. Draganic, D. Strbac, R. Balvanovic, S. Djekic, Safety and control systems of the mVINIS Ion Source, Proceedings of the 15th International Conference on Cyclotrons and their Applications, Caen, France, June 14-19, 1998 (Institute of Physics Publishing, Bristol and Philadelphia, 1999), 575-578
- Dobrosavljevic, T. Stalevski; D. Strbac, Progress report on the control system of the mVINIS Ion Source, 7th International conference on accelerator and large experimental physics control systems, 4-8 October 1999, Trieste, Italy
- T. Stalevski and D. Strbac, The control of microwave generator SHF, XLIII ETRAN conference on Electronics, Telecommunications, Computers and Nuclear Engineering, Zlatibor, 20-22 September 1999, Zbornik radova, Sveska I, 99-102
